To

Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

Sir,

The inhabitants of Royarekalahalli Village in Goribidnur Taluk complained by a written petition that their crops are being damaged every year by the cattle of the village and of the surrounding villages, thereby putting them to serious loss. There are no cattle Pounds close by, except in Pothenahalli and Bommasandra - Villages situated at a distance of 2 and 3 miles respectively. They represent that it is found inconvenient to take the cattle for impounding in the latter two villages and have therefore urged the necessity of having a separate cattle pound in their village, which will serve both Royarekalahalli village and other 5 villages closeby. The income from the proposed cattle pound is estimated at Rs.3 to 4/- a month.

The subject was discussed by the Taluk Board of Goribidnur who have recommended the opening of the Pound in the said village. The District Board of Kolar have also approved of the proposal.

I have therefore the honor to request you to be so good as to obtain sanction of Government to the proposal of the two Boards for for the establishment of a Cattle Pound in Royarekalahalli Village.
